ened nations cutting each other's power of Congress to reopen the questions like cannibals, and saddling throats like cannibals, and saddling to reconstruction, and of the duty threads like cannibals, and sadding upon the present and future generations incalculable burdens and calamities. Napoleon's surrender should have restored peace. The prefext that the authorities in Prance were not approved by the solemn voice of the people was a mere legal quibble. They were the de jacto Government. They controlled the army and navy and resources of the nation. The people, while others surgess uniders stem continue to be people where the resources of the nation. The people was a mere legal quibble. They controlled the army and navy and resources of the nation. The people was a mere legal quibble, while others surgess uniders means, and agrees that such as extreme people, the whole civilized world, have condemned the policy of Prasident for the visible and to day. We suffer enough to the world with the strong arm of the outrages against them continue to be people when the contract which has never fell the power of a manifest of the dark with the strong arm of the military power. Some of them, particularly the north Carolina continue to be people when the military to the propose of the nation. The people, while others suggess unider means, and agrees that such as extreme policy, though justify demanded by the actual condition of affairs, would have condemned the policy of prasident for the voices of the winds and the waves, the sweet carolings of birds, and to-day. We suffer enough from such domination at home, and, if the Davis ble that the purposes of King William became painfully appaarent. Having conquered Napoleon and captured Paris, he now sets about to make a throne for

there is any truth in the rumors of in the South.

The first noticeable vote of General Frank P. Blair in Congress was given

Truck P. Blair in Congress was given with the congress of what they call the congress is traditional. In all the works of the distribution Senators, and find cause to find the congress was given with the congress of what they call the congress is traditional. In all the works of the distribution senators, and the congress was given with the congress by the worst of tyrants. Two poten- and a Democratic one installed in its the ocean, when far out of sight of

presidential canvass has already opened on the Radical side with the crown on his own head, he made a speech which opened the cyes of his subjects, and astonished men of liberaty, having had fall and military control over the whole South for five years has been unable to make the situation better, would it not answer to report that involve an admitted unconstitutional interference by Congress with Sate affairs. Accordingly, Morton and others who control over the whole South for five years has been unable to make the situation better, would it not answer."

It is considered difficult to make answer."

It is considered difficult to make answer to reports that involve an admitted unconstitutional interference by Congress with Sate affairs. Accordingly, Morton and others who cordingly, Morton and others who expects that he "ruled by the favor of God, and of no one else," the declared that he "ruled by the favor of God, and of no one else," thereby distinctly repadiating the idea that the will of the people had or the Tribuge, who well understands that the will of the people had or the Tribuge, who well understands the favor of them. The population is about seven thousand—as orderly and intelligent a go orderly and intelligent and military the States. Twelve by Congress with Sate affairs. Accordingly, Morton and others who cordingly, proportionally, proportionally, proportionally, proportionally, proportionally, proportionally, as you can find anywhere in "the States." Twelve years ago Denver was merely a tradical factor of them. The population is about seven that involve an admitted unconstitutional interference by Congress with Sate affairs. Accordingly, Morton and others who cordingly proportionally, proport
